# Aquatics Level A

Special Olympics Forsyth County is excited to expand the Aquatics program for the 2018 season! We will have a Level A (Adaptive) team. Athletes do not need to have the traditional strokes to participate in this level of swim. All they need is a love for the water and a willingness to learn! There are multiple events the athletes can participate in.

The following is a list of possible events:

- 15M Walk
- 15M Flotation
- 15M Kick Board
- 25M Flotation
- 15M Assisted Swim
- 15M Unassisted Swim
- 25M Assisted Swim

**Any interested athlete will need to attend the mandatory program meeting and evaluation.**

*Athletes need to come prepared to get in the pool.*

*Flotation belts will be provided if needed.*
